RULES:

Only one title per entry form. Productions from 2003, 2004, 2005 and 2006 may be submitted. Do not submit works in progress. All films must be submitted on DVD or 1/2" VHS (NTSC system only) for consideration (if DVD is burned, please send VHS). All films submitted must be available on DVD or Beta SP for presentation.

With the advancements in digital technology, the ordinary movie viewing experience will change, and this is why we have brought the technology to our festival. The use of the DLP technology will enhance the audience's experience by allowing them to observe the films as they are meant to be viewed. The technology allows most independent filmmakers to keep their exhibition formats as close to the original shooting format of their project, while reducing transfer costs.

To ensure that your entry is properly processed, you must fill out the form completely and enclose proper payment. Please mark the tape with the title of your project, running time, your name, contact information and category. Along with the VHS tape or DVD, a black and white still from the production, a complete cast and crew list and a 50-100 word synopsis of the project must be included. We will notify you by email when your tape has been received.

ABSOLUTELY NO INTERNATIONAL CHECKS, WIRE TRANSFERS, OR MONEY GRAMS WILL BE ACCEPTED. For all entries submitted outside the United States, we will only accept payment for submission fees in the form of ***INTERNATIONAL POSTAL MONEY ORDERS***
